

# Grace Church Elizabethtown

1105 Woodland Drive, Elizabethtown, Kentucky 42702  
270-769-0173      [www.gcepca.org](http://www.gcepca.org)

## **VISION STATEMENT:**

Connecting our community to the Glorious God of all Grace – a place to belong for those brought to life by Him

## **MISSION STATEMENT:**

The mission of Grace Church Elizabethtown is to glorify God by being a gospel-centered *fellowship* in which we engage in authentic worship, lovingly lead people to Jesus Christ, equip them to be disciples, and minister the grace of God within and outside our *community*.

## **Key Goals:**

**Authentic Worship** is the grateful response to God out of reverence for His immense holiness and gratitude for His great love. It is expressed with prayer; the reading, preaching, and heeding of God's Word; singing; confession of sin; offering praise to God; celebrating the Lord's Supper and baptism; the giving of offerings; and the recitation and affirmation of biblical truths.

**Leading People to Christ** is sharing the good news that we are more flawed and lost than we ever dared believe, and yet we can be more accepted and loved than we ever dared to hope at the same time, because Jesus Christ lived and died in our place. This gospel renews our hearts and moves us in faith to share this good news in the relationships and opportunities God provides.

**Equipping Disciples** is bringing Christians to maturity, discipling others, stable in their faith and full in their knowledge of the Son of God, for works of service and unity in Christ's church.

**Ministering the Grace of God** is the natural outpouring of God's love to those who have spiritual and physical needs and loving all who the Lord puts before us. As the recipients of God's grace and mercy, we are compelled to extend this to others within and outside our *community*.
